COLLEGE of
CHARLESTON

At a time of year when love is in the air, you have a unique opportunity to give to what you love at the College of Charleston.

What are your passions around campus? How would you like to make a difference at the College?

The possibilities are endless, ranging from supporting faculty research to funding a scholarship to contributing to the upkeep of our historically romantic campus.

Many of the College's planned giving options allow you to give to an area of your choosing while showing yourself a little love: While costing you nothing now, a planned gift helps lower your taxes and some options even provide lifetime income.

Contact the Office of Planned Giving for a complete overview of options to support what you love at the College.
